LEADTIMES

- An order is considered to be an official order once Ultraframe receives your signed order confirmation, without alterations or amendments.
- Matrix roof orders received by 4pm on day 1 are delivered on day 6 (subject to transport schedules)
- The delivery leadtime for non-matrix roofs is variable and subject to manufacturing build time. This will be confirmed at the time of order (usually order day 1 for delivery day 6 or 7).
- Orders are processed on a first-come first-served basis.
